MARCH, 2016 • VOLUME 15, NO. 3

**CAPITAL CAMPAIGN**.....**We ALL can give**.....by Pastor Ken Gibson

He looked up and saw rich people putting their gifts into the treasury; he also saw a poor widow put in two small copper coins. He said, "Truly I tell you, this poor widow has put in more than all of them; for all of them have contributed out of their abundance, but she out of her poverty has put in all she had to live on."

**PREPARE THE WAY**

What I want to share this month is the reality that we are still in the midst of a capital campaign and I want to encourage us to have as close to full participation as we are able. By "full participation" I am talking about having as many people as possible contribute to our Prepare the Way Capital Campaign. It is still my hope that we will have more persons contributing to the overall campaign. What I want to do is to try and encourage you to ALL consider being a part of this effort and I want to do so by telling you a true story about how important it is to have full participation in a capital effort.

While serving a small congregation in Rural Missouri, during my internship year of Seminary training years, the church I was serving needed a new air conditioning system. Now, for a small church, the expense would be a major cost to bear by the membership. As fate would have it, in the little congregation was a "Mrs. Walton." YES, one of those Walton's. A direct family member of the Sam Walton family in fact she was the widow of Sam's brother. Well, it did not take long for this very generous woman to find her way to my office and come forth and volunteer to pay for the entire cost of a new air conditioning system for the church. Now, first look, perhaps I should have just said; "Well thank you very much, you can make the check out to the church for "X" amount of dollars." But what I said was not that. I asked her to consider allowing others to give toward the effort as well. I tried to explain to her that all the members of this little congregation want to feel like they are a part of this church. All the members want to feel good about what they together are able to achieve. So then, I asked her to allow the council to set up a fund drive and allow for everyone to be a part of this effort in a sense of building up the faith community and congregational commitment to this special little church. At first she was taken aback. No one had ever refused her generosity in the past and for me to ask her to hold off on being generous was a bit of a gamble on my part. Thankfully, she agreed and we left it that she would be able to make up the difference "if" the effort fell short. It did not! In fact, that effort led to another effort for new pews and better furnishings in the little church. Mrs. Walton was free to be generous in both efforts, and she was such. But in truth the percentage of participation in those capital campaign efforts was nearly 100%! And the poor widows in that place also put in whatever they had, to be a part of the mission and ministry of that place.

So then perhaps you might wonder; "Where are we in our Grace Capital Campaign in regards to % of members giving towards our efforts?" Well, we are a long way from 100%. According to my calculations we are at around 27%. So far at least, less than one third of us have decided to contribute to this effort. The questions I have for us to ponder are these; "What % of us are driving on the new driveway? What % of us are benefitting from the new furnaces providing heating this winter which will cool us more efficiently next summer?" Furthermore, what of our other projects? "How many of us enjoy the expansiveness of the new Narthex flooring and the safety of the new stairwell flooring? How about the new sidewalks along the northwestern portion of our building which allow for safer access to our preschool by parents and for all who use our Luther Hall for events every year?" I realize only some are using the new loop hearing assistance system in our sanctuary but what a joy for those who are now able to hear more clearly.

There are more projects yet to be completed and much of those will depend on our continued commitment to this Grace church wide effort. "So then what Pastor Ken?" you might ask; So Then I say; "GIVE!" Give what you can, for I am convinced that we all desire for the success of this place now and for the future. Give because we are compelled to make sure that our commitment to this place is as strong now as it has been in years past, like when this facility was built. And Give because we believe in the promise of Christ for us all in this time and we believe in the promise of Christ for ALL those who will come after us. Give, and let's see how close to 100% participation we might achieve.

**REMEMBERING & CONTINUING IN BAPTISM.....**by Pastor Amanda Bergstrom

The focus for our midweek worship services this Lent is “Continuing in the Covenant of Baptism,” as we focus on different parts of the baptismal covenant. The baptismal font is now placed beside the paschal candle as a visible reminder during worship, the old baptismal font stands in the center of the narthex to greet all who pass by, and there is a baptismal calendar spanning a wall in the narthex as well. This Lent, we are encouraged to remember and continue in our baptismal call.

If you have not yet had a chance to add your name to the baptismal calendar, we invite you to do so. Here are a few helpful notes in case you have not already heard us share: Baptism is baptism, so whether you were baptized here, at another church, in a river, lake, kitchen sink, or NICU, baptism is baptism. If you were baptized at Grace or had membership records transferred here, you can call Denise in the office (815-338-0554) and she can look up your baptismal date for you. We have also heard that ancestry.com has uploaded ELCA baptismal records, if that is a site you use. If you know you were baptized but cannot find the date, still add your name to the calendar (you can pick a month you like and add your name there). And finally, if you would like to be baptized, please talk with one of your pastors, we would love to talk with you about the gift and promise of baptism.

It has been a joyful time to see people come forward to remember their baptism and add their name to the calendar. Many people initially have no idea when or where they were baptized, some have looked up the date and brought it in to write on the wall, others have carried their mementos and certificates in from years ago, to remember their baptism and add their name and date to the wall.

I pray that this may be a meaningful activity for you in this season of Lent. Blessings on your researching and remembering, may you know that the waters of baptism and the words that are spoken hold true for you: you are baptized in the name of the Father, and of the Son, and of the Holy Spirit; and “child of God, you have been sealed by the Holy Spirit and marked with the cross of Christ forever.”
